### Jenny Nash Region V Vice President:

Hi, My name is Jenny Nash. I'm your Region V Vice President. This years Regional Leadership conference (RLC) will be held at the Fond du Lac High School.

### WFLC Board Meeting

A state board meeting was held during the Wisconsin Fall Leadership Conference in the Wisconsin Dells. Information concerning state and region V was shared.

There has been a new competition added: Computer Game and Simulation Programming. There is also now a regional component to Digital Video Productions. A complete list of events and guidelines can be found on the state website.

A special thank you goes out to DeForest's chapter for hosting the white-out dance during WFLC. Over seven hundred dollars was raised

The state would also like to welcome Region V's two newest chapters, Campbellsport High School and Horicon High School.

The Fond du Lac chapter is preparing for the rapidly approaching RLC. We will be having Dominos for lunch and are looking into different forms of entertainment.

The Fall Leadership Labs (FLLs) in Madison were a success this year with a high attendance of more than two hundred people. Thank you to all chapters that came.
